## FDOT Hosting Road Construction Career Fair

**OVIEDO, Fla.** – The Oviedo Operations Center for the Florida Department of Transportation is hosting a career fair highlighting all road construction careers, from design to construction, utility adjustments, maintenance, and more. This event is focused on connecting job seekers and small businesses with active construction contractors and community resources.

The career fair will be held on the grounds of the Oviedo Operations Center, 2400 Camp Road, Oviedo, FL 32765, on Thursday, Aug. 17, from 9 a.m. to 12:30 p.m. Those interested in a career in transportation are encouraged to attend, as various disciplines will be represented. Participating partners include Consor, Inwood Consulting Engineers, P&S Paving, Pi Consulting, AT&T, Spectrum, FDOT, the City of Oviedo, Uniti Fiber, Ozmatic Inc., and the University of Central Florida Department of Civil, Environmental, and Construction Engineering.

**Date:** Thursday, Aug. 17, 2023

**Time:** 9 a.m. to 12:30 p.m.

**Place:** Oviedo Operations Center (2400 Camp Road, Oviedo, FL 32765)

**Cost:** No cost for participation

The career fair will also include information about the resurfacing construction project on State Road (S.R.) 426 from Mystic Lake Drive/Starwood Drive to Eyrie Drive. The project corridor runs along S.R. 426 outside the Oviedo Operations Center. Participants are asked to dress for career success and bring copies of their resumes. Participants should be aware that the event will be outdoors, and comfortable yet appropriate clothing should be worn.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

The Department urges all drivers to stay alert and use caution while driving through or near construction zones. Remember to pay attention and follow the rules when driving, walking, or bicycling. Safety doesn't happen by accident.

Attendees can register for free for this event by visiting the Eventbrite page at <https://bit.ly/3QgabBy>. Please note that registration is not required to attend.
